Nimbus Tech Pvt Ltd - Employee Handbook 2026

1. About the Company

Nimbus Tech Pvt Ltd is a software services company founded in 2016 in Chennai, India. The company builds cloud-based inventory and billing software for small retailers. As of January 2026, Nimbus Tech has 240 employees across offices in Chennai, Bengaluru, and Pune.

The company is led by CEO Anitha Raghavan and CTO Vikram Sethi. The Human Resources team can be reached at hr@nimbustech.example or by calling extension 101.

2. Working Hours

The standard working week is Monday to Friday. Core working hours are 10:00 AM to 4:00 PM, during which all employees must be available for meetings. Outside core hours, employees may start between 8:00 AM and 10:00 AM and finish accordingly, provided they complete 8 hours per day.

Employees who work more than 2 hours beyond their normal schedule on a weekend or public holiday are eligible for compensatory time off, which must be taken within 30 days.

3. Public Holidays

Nimbus Tech observes 12 public holidays per year. The 2026 list includes Pongal (January 14), Republic Day (January 26), Independence Day (August 15), Gandhi Jayanti (October 2), Diwali (November 8), and Christmas (December 25). The full list is published on the HR portal every December.

4. Leave Policy

Every full-time employee receives 18 days of paid annual leave per calendar year. Unused annual leave can be carried forward up to a maximum of 8 days into the next year. Any balance beyond 8 days expires on December 31.

Sick leave is separate from annual leave. Employees receive 10 days of paid sick leave per year. A medical certificate is required if sick leave exceeds 2 consecutive days.

Maternity leave is 26 weeks of paid leave, in line with Indian law. Paternity leave is 10 working days and must be taken within 3 months of the child's birth.

Leave requests should be submitted on the HR portal at least 5 working days in advance for planned leave longer than 3 days. The reporting manager must approve or reject the request within 2 working days.

5. Probation and Notice Period

All new employees complete a probation period of 6 months. During probation, the notice period for resignation is 15 days. After confirmation, the notice period is 60 days. Employees in senior roles (Manager and above) have a notice period of 90 days.

6. Remote and Hybrid Work

Nimbus Tech follows a hybrid model. Employees are expected to work from the office 3 days per week. The required office days are Tuesday, Wednesday, and Thursday. Mondays and Fridays are optional remote days.

Employees may request up to 20 fully remote days per year for personal reasons, such as relocation or family needs. These requests require written approval from the reporting manager and the HR team.

Employees working remotely receive a one-time home-office allowance of Rs. 15,000 to purchase a chair, desk, or monitor. In addition, a monthly internet allowance of Rs. 800 is paid to all hybrid employees.

7. Expense Reimbursement

Business travel must be pre-approved by the reporting manager. Flights must be booked in economy class. Hotel stays are reimbursed up to Rs. 6,000 per night in metro cities and Rs. 4,000 per night in other cities.

The daily food allowance during business travel is Rs. 1,200. All expense claims must be submitted within 30 days of the expense, with original receipts attached. Claims submitted after 30 days will be rejected. Approved claims are paid within 10 working days.

8. Learning and Development

Each employee has an annual learning budget of Rs. 25,000 that can be used for online courses, certifications, books, or conferences. Unused budget does not carry over to the next year.

Employees who complete a company-sponsored certification must stay with Nimbus Tech for at least 12 months after completion. Otherwise, the certification cost must be repaid on a pro-rata basis.

9. Performance Reviews

Performance reviews take place twice a year, in June and December. Each review uses a 5-point rating scale, where 1 means Needs Improvement and 5 means Outstanding. Salary revisions are based on the December review and take effect from April 1.

10. IT and Information Security

All employees must use multi-factor authentication on company accounts. Passwords must be at least 12 characters long and changed every 90 days. Company laptops must have disk encryption enabled.

Confidential customer data must never be copied to personal devices or personal cloud storage. Any suspected security incident must be reported to security@nimbustech.example within 2 hours of discovery.

Employees may not install unapproved software on company laptops. Requests for new software should be raised through the IT helpdesk, which responds within 1 working day.
